

December 2018

Dear Parents and Students:

The SAT for most of our Juniors will be held on Saturday, May 4, 2019.

As you know, the College Board has made changes to the SAT, making it more reflective of the skills taught in high school and required in college. In order to help our students to prepare for the test, we are again offering an **SAT Prep Course** – one that will emphasize the skills and strategies that will help our students to do their best on the new SAT.

To accommodate student schedules, the **SAT Prep Course** will be offered at two different times. The Saturday morning class (**Group A**) meets from 8 A.M. to 10 A.M., beginning March 2, 2019. The after-school section (**Group B**) meets Tuesdays and Thursdays from 2:45 P.M. – 3:45 P.M. beginning Tuesday, March 5, 2019. **Note the extended times needed for the practice tests as listed.**

Saturday classes fill very quickly. Please enroll early for Group A. Because of the length of the regular school day, students who attend the Saturday program often achieve the best results.

The all-inclusive tuition for the **SAT Prep Course** is **\$430**. A fee of \$175 will be charged if a student, who has been scheduled, drops out after the first day of class. Each student will receive a copy of the College Board's *Official SAT Study Guide*.

The goal of the course is to prepare each student to demonstrate actual academic aptitude and to achieve test scores that truly reflect knowledge, competence and skill. While emphasizing the intellectual, physical and psychological aspects of standardized test-taking, the course offers students abundant techniques, strategies and practice for effectively handling the VERBAL and MATH sections of the exam.

Some of the key skills covered include: Test Taking Strategies, Vocabulary-in-Context, Grammar Skills, Essay Strategies, Reading Comprehension, Math Formulas and Analysis of Typical Questions. Students will be provided with models and hands-on experience that prepare them for the writing section of the SAT.

Students will take a full Practice Test:

Group A: Saturday, April 13, 8:00 A.M. - 11:30 A.M.

Group B: Tuesday, April 16, 2:45 P.M. - 6:15 P.M.

Note extended times.

There is great value in taking the Practice Test. **PLEASE NOTE THESE DATES AND PLAN FOR THE EXTRA TIME THAT IS NEEDED.**

To enroll in the **SAT Prep Course**, complete the enclosed enrollment card as soon as possible and return it with your check no later than February 1, 2019. Register early. Class space is limited. **Please be sure to indicate group preference (Saturday or Tuesday/Thursday classes) on the card.**

Sincerely yours,

Kathleen Moran
