## SCHOLARSHIPS AND FINANCIAL AID

Holy Trinity offers merit-based scholarships for incoming freshmen. There is a separate application process for scholarship awards. Need-based grants are also available and are based on parental income. All financial aid requests are processed through the MyTADS Financial Assistance website.

## ACADEMIC FLEXIBILITY

Holy Trinity takes a holistic approach to creating students' schedules by assessing their skills in each subject area. This allows students to take all Regents, all Honors/AP, or a mixed schedule. Students can also change those designations year-to-year, allowing them the freedom to challenge themselves in order to strive for higher academic levels throughout high school.

## TECHNOLOGY

Holy Trinity utilizes Google Classroom technology to enhance the academic experience for students, parents, and faculty members. All incoming freshmen receive their own personal Chromebook to be used both in the classroom as well as for homework assignments. Holy Trinity is also a WiFi campus and SMART Board technology can be found throughout our classrooms.

## GUIDANCE DEPARTMENT & SUPPORT STAFF

Holy Trinity employs full-time, New York State certified school counselors. Our four-year Guidance curriculum incorporates both group and individual meetings with our counselors starting in freshman year. Our counselors utilize Naviance/Family Connection - a web-based service that allows both students and parents to be actively involved in career exploration and the college admissions/selection process.

## STEM

Our STEM elective classes consist of project-based learning and design thinking. Students write research papers and participate in STEM fairs across Long Island. The coding languages, Alice, Javascript, Python and HTML/CSS are taught as well as MIT App Inventor. Field trips to college and university labs, as well as speakers from various STEM fields are also part of the courses.

## ADVANCED PLACEMENT COURSES

All students taking Advanced Placement courses are required to complete the AP exam in May:

Biology	English Literature & Composition
Physics 1	Government & Politics
Calculus	U.S. History
Spanish Language	World History
Chemistry	

## COLLEGE COURSES

College courses are offered in conjunction with St. John's University and Molloy College. These are regular freshman-level courses, which are listed in the university catalogue. Each course is a one-semester offering and earns 3 college credits.

## ATHLETICS

Holy Trinity offers 19 interscholastic athletic teams. Over 70% of our students participate in at least one sport throughout the school year. Our student-athletes continue on to play at some of the most prestigious colleges and universities in the country, such as Duke University, Rutgers University, Fordham University, Nebraska University, and Northeastern University.

## PERFORMING ARTS

Holy Trinity is the only Catholic high school on Long Island that offers a NYS-approved Performing Arts curriculum. Students in the Performing Arts curriculum concentrate in areas of Theatre, Dance, Choir, Band, or Orchestra.

## FINE ARTS

Holy Trinity offers more Fine Arts electives than any other Catholic high school on Long Island. Some examples of Fine Arts electives are Mechanical Drawing, Fashion Illustration and Design, Basic Architectural Design, and Digital Art & Animation.

## FAITH LIFE

Holy Trinity has a very active Campus Ministry with opportunities for all students to get involved. There are in-house retreats for each grade-level as well as out-of-state mission trips. Students can also become Lectors, Eucharistic Ministry, or members of Music Ministry. Seniors can apply to participate in L.I.G.H.T.s, where they act as service leaders as well as mentors for underclassmen.

## MISSION STATEMENT

It is the mission of Holy Trinity High School to be a living witness to the Gospel of Jesus Christ as a community of faith, hope and love. We seek to educate the whole person: mind, heart, soul and body, and to motivate all students in the pursuit of truth and academic excellence, preparing them for future educational opportunities and service to the Church and to the world.
