Dear Parents of Incoming Students :

I am pleased to announce an opportunity for our incoming freshmen to participate in a special Organizational Learning Systems course offered exclusively at Holy Trinity Diocesan High School. This study skills program, **SMART** (Study Management And Reading Techniques), is based on materials coauthored and taught by the Holy Trinity faculty.

Students will learn how to save time by doing their assigned reading faster and with greater comprehension. The scientific techniques of the **SMART** rapid learning systems help to improve grades, test scores, and study attitudes. The average student will increase reading speed, understanding, and retention.

For over 20 years, thousands of our students have improved their speed reading and learning skills using this course. Our **SMART** program has received the enthusiastic endorsement of students, parents, teachers, and school administrators.

We are committed to helping students achieve academic success, beginning now and continuing through college. Just a few of the important skills highlighted at SMART are:

- **Using Every Minute Of Your Study Time Effectively**
- **Comprehension of Main Ideas/Memory Improvement**
- **Successful Test Taking**
- **Effective Note-taking**
- **Acclimating to the High School Environment**

Instruction will take place from August 27 through August 31. Classes will meet from 8:00 A.M. to 11:00 A.M. each day. The all-inclusive tuition for the course is \$195. Please be aware that if you choose to drop the course at any time before August 24, you will only be eligible for a refund of \$100. If you drop the course after it begins on August 27, there will be no refund.
