Course Descriptions

Session I

8:30 am — 11:30 am

Grades 6 - 9

Drawing & Painting

This course will focus on drawing and painting with topics such as landscape, still life and portraiture. Students will learn observational drawing techniques and study proportions as they learn to create a sense of realism in their artwork. They will experiment with expressive drawing and painting techniques to add movement, emphasis and creativity to their artwork. A variety of art mediums will be used including, but not limited to, graphite, colored pencil, oil pastel, watercolor, marker and acrylic paint. This is an extraordinary course designed to give students of all abilities; beginner, intermediate and advanced; artistic opportunity beyond what they would encounter in the average classroom setting.

Session II

12:00 pm — 3:00 pm

Grades 6 - 9

Sculpture & Collage

In this course students will develop basic technical skills in hand built sculptures and collages. Sculpture is the art of producing realistic, symbolic or abstract works in 3-D. Recyclable materials, paper, wire and various 3D materials will be used in the of assembling, constructing and modeling of sculptures with limitless possibilities in materials, themes and expression. Mixed Media Collage combines various mediums into one composition. Tearing, folding, material, wonderful things happen--art mixes with imagination! Projects include but are not limited to photomontage, masks, 3D collages cubes, books, and paper mosaics.

SUMMER CAMP STATEMENT

We strive to teach Art appreciation while students create their very own masterpieces. With fun and exciting new ideas, the aspiring artists will have an opportunity to gain hands-on experiences using different artistic mediums. The students will also expand their creative skills and knowledge of the fine arts.

Curriculum used in this camp has been developed by Holy Trinity Educators, who are all N.Y.S. certified teachers as well as practicing artists.

Artists at TRINITY'S art camp will have the opportunity to explore their creative potential, while discovering important eras and cultural movements within the art world. These programs will encourage students to do what they love!
