It is the mission of Holy Trinity High School to be a living witness to the Gospel of Jesus Christ as a community of faith, hope and love. - ❖ Encourage a lifelong commitment to a healthy lifestyle.

## **Diocesan Statement**

Holy Trinity Diocesan High School is operated in full accord with the teachings of the Roman Catholic Church (the "Church"), subject first and foremost and at all times to the Church's moral, ethical, canonical, and religious precepts as interpreted by the Diocesan Bishop of the Roman Catholic Diocese of Rockville Centre (the "Diocesan Bishop") and applied by the school administration. The Diocesan Bishop is the final arbiter of the interpretation and application of such precepts to all aspects of school life. These precepts shall be the guiding principles and law upon which the entire life of the school shall be understood.

## Section 1: Attendance

### 1.01 Daily Attendance

Daily attendance and punctuality are an integral part of success for all students and is therefore required of all students.

Students are expected to be in school and on time on all days when school is in session. "On time" to school is defined as the student being in his/her homeroom in full uniform prior to the 7:55 A.M. bell.

Class days are noted on the School Calendar, which is published annually.

Excessive absence or lateness to school may result in a student being ineligible to participate in after school activities, field trips, election to honor societies or student council office, the loss of senior driving privileges and other disciplinary actions.

A student who is excessively absent due to medical reasons may be required to enroll in home study.

Excessive absence without medical verification may require a student to transfer from Holy Trinity High School.

Students who participate in evening activities/athletics are expected to be present and on time for school the next day.

The Regulations of the NYS Commissioner of Education regarding attendance at school leave very little discretion to either parents or to schools regarding what constitutes legal absence from school.

The following are the reasons that constitute a legal (excused) absence from school: sickness, death in the family, health treatment, and court appearances.

New York State laws and regulations distinguish two types of illegal (unexcused) absence: unlawful detention and truancy. A student whose parents expect him to be in school and who does not attend for reasons other than the legal reasons listed above is *truant*. *Unlawful detention* occurs when a student is absent with the knowledge and consent, stated or implied, of his/her parent, for other than legal reasons. According to publications of the state, such excuses as "visiting," "vacation," "away," "needed at home," "work," "overslept," "caring for baby," and so on, fall under the category of unlawful detention.

Holy Trinity is mandated to record each absence in the category under which it falls, namely legal (excused) absence, unlawful detention, or truancy. These records are part of the student's permanent record.

In case of absence from school, a parent must call the school before 9:00 A.M. to report the

absence. If a parent does not call, the student will be marked illegally absent, and the parents/guardians will be contacted.

When the student returns to school, he/she must bring a note indicating the date(s) of and reason for the absence. If a student has a medical or dental appointment, he/she needs to bring a note on official letterhead to verify the appointment. Any student with undocumented absences will receive detention.

Students who are absent three (3) or more consecutive days must present a doctor's note upon return in order to be readmitted to class.

Any student who is hospitalized for any reason must present a doctor's note upon return in order to be readmitted to class.

Any student who is absent from a midterm, final or Regents exam must provide a doctor's note before their exam can be rescheduled (Regents exams must be taken at the next available Regents Administration). Failure to supply a doctor's note will result in a zero (0) on the midterm or final examinations.

## **1.02 Chronic Absenteeism**

Chronic Absenteeism is defined by New York State as missing ten percent (10%) of a school year for any reason (excused or unexcused) and is a key indicator of lower academic achievement due to missed instructional time. In New York State, ten percent of the school year equals 18 days per school year; 9 days per semester or 2 days per month.

Holy Trinity reserves the right to withhold course credit from any student who accumulates eighteen (18) or more absences for the school year or nine (9) absences during a single semester. Students who accumulate five (5) or more absences in a quarter may receive an incomplete for that quarter. Denial of course credit is at the recommendation of the teachers and with administrative approval.

Students who are chronically absent will be placed on Attendance Probation. Students on Attendance Probation may be ineligible to participate in after school activities, field trips, overnight trips, election to honor societies or Student Government Office, and/or be subject to other disciplinary action.

## **1.03 Class Attendance**

In addition to attendance being taken officially in homeroom, attendance is taken in each class period. Frequent class absences (10%) may result in denial of course credit due to "insufficient learning time" or reduction in the participation grade for a course. Denial of course credit is at the recommendation of the teachers and with administrative approval.

If a student is in school and is illegally absent from a class, the parent will be notified and that student will serve two detentions. In such a case, the student will receive a zero (0) for any exams, quizzes or class work missed. Repeated occurrence of missing class may result in the student's suspension from school.

## **1.04 Truancy**

Truancy is defined as an illegal absence from school without the knowledge and consent of the parent/guardian. Truancy is a violation of school regulations as well as New York State law. Truant students will receive will be subject to disciplinary action upon their return to school.

## **1.05 Lateness**

Students are expected to be in Homeroom by 7:55 A.M. and thus should arrive at school early enough to allow time to go to their locker and prepare themselves for the school day.

Any student arriving to Homeroom after the 7:55 A.M. bell is considered late to school and must present the homeroom teacher with a late slip in order to be admitted to Homeroom. Late slips are obtained from the Main Office.

Students arriving late must present a written note stating the reason for their lateness. Students who are late more than three (3) times for any reason in a quarter will face disciplinary consequences (detention) for any additional lates.

**Once first period begins, all late students must enter through the Cherry Lane entrance only. This includes, buses, parent drop offs, and student drivers.**

Students are not eligible to participate in any after-school activity if they are not legally present in school that day. For the purposes of this regulation, 10:00 A.M. is the latest a student can enter school and be considered legally present.

## **1.06 Students Leaving Early**

Once a student arrives at school, he/she may not leave the building until the school day is over. Parents/Guardians who need to have their child excused early from school must send their child to school with a note to be presented to the Main Office before 7:50 A.M.

In case of any early dismissal from school, the parent/guardian must meet the student in the general office and accompany the student out of the building. All students leaving the building for any reason prior to the regular dismissal time must be signed out by the parent/guardian in the office before leaving the building.

Any Class D students who drive will only be allowed to leave early if they present a note from a parent or guardian to the Main Office prior to 7:50 A.M.

No student may be met at school by anyone other than a parent/guardian or the designated adult whose name is on the emergency contact form in the office. Anyone picking up a student from school must present photo ID before the student is permitted to leave the building.

## 1.07 After School Activities

Only students who are attending a club meeting or activity or an athletic practice or game are permitted to remain after school. Students are not allowed to remain in school or on school property without being under the supervision of a teacher, moderator or coach.

Late buses depart at 5:00 P.M. each day. Students are not permitted to stay at school or on school property after 5:00 P.M. unless they are participating in a school sponsored activity supervised by a teacher, moderator or coach. Students found loitering in the building or on the school grounds after 5:00 P.M. will be subject to disciplinary action and may be banned from future after-school activities. Upon exiting the school building, students must leave campus

Students who do not receive late buses, must arrange alternative transportation home at 5:00 P.M. Students will not be allowed to remain in the building after 5:00 P.M. unless supervised by a coach, moderator, or teacher.

## 1.08 Closed Campus Policy

The Closed Campus Policy is in place to ensure the safety and security of our school community. The following procedures apply for all activities (athletic games and practices, extracurricular clubs, Performing Arts, Campus Ministry events, etc.) that occur following the end of the school day:

Only students who are attending a club meeting, activity, or an athletic practice or game are permitted to remain in the building after dismissal. Most of these activities begin immediately following the final bell and students should proceed to these locations immediately at dismissal. **Students who are in the building after 3:00 PM must be under the direct supervision of a teacher, moderator or coach.**

Students staying after school to attend a practice, game, or other supervised activity that begins **after 3:15 PM** have the following options:

- Report to the library **and remain in the library until the particular practice, game or activity begins.** Students are expected to follow all library rules and are encouraged to complete homework assignments, work on projects and/or study for upcoming tests and quizzes. The library is open and supervised from dismissal until the late buses depart at 5:00 pm every Monday through Thursday and will be opened on select Fridays when there is a scheduled afternoon or evening activity.
- Sign up for and attend an extra help or tutoring session offered by a Holy Trinity teacher. If the academic session ends before the scheduled practice, game, or activity, the student should report to the library.
- Attend and participate in a scheduled meeting of an extracurricular club or activity of which they are a member **and remain in that location until the particular practice, game or activity begins.**
- Participate in a scheduled athletic training session under the direction of a Holy Trinity coach **until the particular practice, game or activity begins.**

- Leave campus at dismissal and **return no earlier than 15 minutes prior to the start of the practice, game or activity.** All students must re-enter the building via the Newbridge Road entrance and must check in with the supervising staff member.

Late buses depart at 5:00 P.M. each day. **Students are not permitted to stay at school or on school property after 5:00 P.M. unless they are participating in a school sponsored activity supervised by a teacher, moderator or coach.** Students found loitering after 5:00 P.M. will be subject to disciplinary action and may be banned from future after-school activities. Students who do not receive late buses, must arrange alternative transportation home at 5:00 P.M.

## **Section 2: Transportation**

### **2.01 Buses**

Transportation applications for the following year are due to the district offices by April 1.

Parents are directly responsible for submitting these applications.

Parents are reminded to observe carefully the particular requirements and deadlines established by their districts.

Parents should check with their local district to ascertain particular requirements and deadlines.

Students who ride school buses are responsible for their own behavior.

Improper behavior which may be distracting to the driver, which may jeopardize the safety of others or which damages the bus may result in detention, suspension, dismissal and/or the student's loss of his/her right to ride the bus.

Students are expected to display courtesy to their bus drivers at all times.

Any transportation related incident should be reported immediately to the Assistant Principal for Student Affairs.

Arriving students must enter the building immediately.

### **2.02 Student Drop-off and Pick-Up**

Parents who drop-off or pick-up students must do so on school property. All students must be dropped off and picked up on the Cherry Lane side of the school in order to maintain safe traffic flow. ### **2.03 Automobiles**

The Holy Trinity student parking lot is for any student who holds a valid Class D Senior Driver's License and must be at least seventeen (17) years old. Learner permits and junior licenses are not acceptable.

All students using the Holy Trinity parking facilities must obtain a numbered parking permit for their car. Parking permits may be purchased through the Bookstore. The number on the parking permit corresponds to the number parking spot you must park in each day.

The cost of each parking permit is \$30.00. When the parking permit is returned at the end of the school year, the student will receive a \$10.00 refund. Proceeds from the sale of parking passes will help to defray the cost of various school events.

Students without a permit will not be allowed to park on school grounds.

Any student who fails to register his/her car, who fails to drive in an appropriate manner or who fails to park in a designated area will receive detention and may forfeit his/her right to drive to school.

Students are only permitted to drive automobiles to the school. Motorcycles of any kind are prohibited.

## **2.04 Parking Lot**

The speed limit on the school grounds is **5 m.p.h.** Students who exceed the speed limit or who drive in a reckless manner will face disciplinary action and may be prohibited from driving to school.

No student may park in the Cherry Lane oval, the faculty parking area, the DRVC Department of Education area or in any fire zone. All cars must be parked head-in within lines. Students may only park in assigned parking spots.

Immediately upon entering school grounds, students must park their cars, close all windows, lock all doors, and proceed immediately into the school building. No student is permitted to sit in a car or use a car radio before, during, or after the school day. Students may not loiter in the parking lot before or after school under any circumstances.

**Students who choose to park in the student lot must leave their cars in their parking spaces until the buses have departed (approximately 3:00 P.M.).**

Parents allowing students to drive to school assume total responsibility for the proper use of that vehicle. The school accepts no responsibility for motor vehicles or their contents that are parked on school grounds.

## **Section 3: The School Day**

### **3.01 Arrival**

The school building will open for students at 7:15 A.M. each day. Upon entering the school building, students should remove all headwear, headphones, earbuds, etc. and proceed immediately to their lockers. At this time jackets, sweatshirts, etc. should be removed and students should be in complete uniform and prepared to report to Homeroom on time.

Gym locker rooms will be open from 7:40 A.M. to 7:50 A.M. Students who need to store athletic equipment must do so during this time. Students have four minutes between classes; students should proceed quickly from one class to the next and should not loiter between bells. Students should not be in the hallway for any reason after the four-minute bell rings.

If a teacher has not arrived in the class after its scheduled start, a representative from the class should alert a teacher in a neighboring classroom who will contact the Main Office. All students are to remain orderly in the corridor or classroom.

### **3.05 Elevator**

The large number of students in our school makes it necessary to restrict the use of the elevator to members of the faculty and to those students who are either temporarily or permanently disabled.

Requests for elevator passes must be accompanied by a doctor's note. Qualifying students will be issued an elevator pass through the Health Office. Students using the elevator without a pass will be subject to detention.

### **3.08 ID Cards**

The wearing of ID cards visibly within the school building is an important safety measure, as it identifies all individuals who belong in the school building. This is especially critical on dress down days or other times when students are not in uniform or during any emergency situation.

As ID cards are used as part of our school safety protocols, there can be no decorations or additions to the cards or lanyard. ID cards must be visibly worn by all students and adults within the building.

All students are issued identification cards which they **must wear around their necks** on a school

issued lanyard whenever they are in the school building and at all school-sponsored events.

ID cards are also required to purchase tickets for all school-sponsored events.

**ID cards are required to obtain a late pass in the Main Office.**

Any student who loses an ID card must report to the Main Office. A \$5.00 fee will be charged for a replacement. Replacement lanyards are available for purchase in the Holy Trinity Bookstore.

ID cards and lanyards are a part of the school uniform. Missing IDs or failure to purchase a new ID will result in detention.

Students are required to present their ID Cards upon request to any teacher, administrator, or staff member.

Any student who fails to properly identify himself or herself or who fails to report to the Main Office when directed to do so by any member of the staff will face disciplinary action.

**3.09 Hallway Lockers**

Every Holy Trinity student will be assigned a locker. Students may only use the lockers to which they are assigned.

All lockers must be secured with a school issued lock at all times. Students who fail to properly secure their lockers are subject to detention.

Only combination locks purchased in the Holy Trinity Bookstore are permitted on school lockers.

Students who divulge their combinations to any other students do so at their own risk.

Students are reminded that the school cannot be responsible for lost or stolen property. Do not leave personal property unattended. Be sure lockers are closed and locked after each use.

Students may not share lockers for any reason.

Students may not change lockers without the permission of the Assistant Principal for Student Affairs.

### **3.10 Physical Education Locker Room & Lockers**

All students taking gym or participating in extracurricular sports must secure all property in their assigned gym lockers.

The locker room will be open each morning from 7:40 A.M. to 7:50 A.M. Students are not permitted to go into the locker rooms at any other time throughout the day unless it is for a physical education class.

The use of cell phones in the locker rooms is strictly prohibited.

Loitering in the locker room, before, during, or after school is not permitted.

Under no circumstances should non-athletic items be stored in the locker room during the school day. This includes books, Chromebooks, lunch, uniform, uniform shoes, ID card, lanyard, etc.

No property should be left unsecured inside or outside the locker rooms. Failure to comply with this directive will result in detention, and repeated violations could result in revocation of the privilege of participating in extracurricular activities.

All lockers are to be completely emptied at designated periods throughout the year

An Administrator has the right to search a student's locker and may search a student's belongings. **Lockers and other storage spaces remain the exclusive property of the school and students should have no expectation of privacy with respect to these areas.**

Students wishing to use any other service (Library, Guidance Office, Chaplain, etc.) must obtain a pass in advance from the appropriate teacher.

### **3.12 Textbooks**

In most subject areas, students use textbooks which are on loan from local districts. Each student is responsible for all textbooks received. Students must handle these books with care and see to it that they are returned to their districts at the end of the school year.

## Section 4: Student Behavior

Holy Trinity supports and encourages students to do their best in all areas of school life. Our rules and regulations are designed to provide a safe and orderly environment that encourages learning, respect and maturity. These regulations are in place in order to benefit the good of the individual student as well as that of the community at large. Students are expected to act in an appropriate manner and to be respectful to all faculty, staff, administration and fellow students. Students and their parents are expected to willingly comply with and support the philosophy, policies and rules of the school. The directives of all teachers, staff members and administrators must be followed at all times. **Ignorance of school rules and policies by parents and/or students will not be accepted as an excuse for failure to comply with said rules and policies.**

Similarly, students who are aware of any form of bullying should immediately notify an administrator and/or the Dean of Discipline.

#### **4.03 Classroom/Hallway Behavior**

Students are to conduct themselves in an orderly manner in the halls, stairways, and classrooms at all times. Running, pushing, shouting, whistling, throwing things and any other form of disturbance are out of order and will result in detention.

## Section 7: Academic Policies

### 7.01 Academic Integrity

In accordance with the school's philosophy, students are expected to abide by a code of honor when testing and completing assignments.

This code stipulates that a student is responsible for his/her own work and **will neither receive nor give inappropriate assistance.**

Students who violate this code will receive a zero (0) for the work or test, and the student's parent/guardian will be notified.

The individual incident will also be examined, and, based on the severity of the incident, the student may also receive detention, suspension or dismissal.

### 7.02 Plagiarism

Plagiarism is defined as "presenting the ideas or words of another as one's own." This includes copying, downloading or otherwise obtaining information from written or electronic sources, including the Internet, without properly citing the source of the information. Plagiarism is considered cheating. Any student found plagiarizing material will receive a zero (0) on the assignment in which the plagiarism occurred, and the student's parent/guardian will be notified.

The individual incident will also be examined by the Administration, and, based on the severity of the incident, the student may also receive detention, suspension or dismissal.

### 7.03 Homework

Homework is any assigned work, written or unwritten, that is subject to evaluation.

It is an integral part of the instructional program, and therefore, failure to submit homework will be reflected in the student's grade in a manner determined by the teacher and clearly indicated to the student at the beginning of the school year.

It is expected that students will accept homework assignments as a regular part of their obligation to the school and do their assignments thoughtfully and with care.

While the student must assume the responsibility for completing all homework assignments, parents are encouraged to take an active role in ensuring that their child is completing his/her homework.

The responsibility to make up homework, tests or class work missed because of any absence or suspension belongs to the student. Students should check Google Classroom for assignments.

## 7.04 Grading Policy

Courses operate on a quarter basis. Final quarter grades are issued four times a year. Final semester grades are issued in January; final grades for the year are issued in June.

The lowest passing grade is 70%

Final course grades are determined as follows: 4/5 of the quarter averages plus 1/5 of the average of the mid-year and/or end-of-year examinations.

All exams, quizzes and assignments given during the quarters will be recorded by teachers and become part of the quarter grade. The teacher will clearly communicate to all students at the beginning of the school year how class grades will be calculated.

In all Regents and Honors courses where a New York State Regents exam is offered, that Regents exam will be the final examination, and that grade will be included in the final course average.

In certain cases, due to medical emergencies or other unforeseen circumstances, a student may be granted a grade of incomplete for a specific quarter. In such cases, the student will work with the administration and applicable subject teachers to ensure that all appropriate work is made up in a timely fashion.

**Seniors who fail a course will not receive a diploma until said course is remediated.**

Freshman, Sophomore and Junior students who fail to achieve a passing grade for the year in a particular course will be required to remediate the course in the summer.

Freshman, Sophomore and Junior students who fail to achieve a passing grade on the Regents Exams in Chemistry, Geometry, Earth Science, Algebra II, or Physics will be required to retake the exam in August (or the next available testing date).

Students who fail to achieve a passing grade on the Regents Exams in Living Environment, Global Studies, Algebra I, English, or U.S. History and Government will be required to remediate the course and retake the exam at the next Regents Administration.

Any Freshman, Sophomore or Junior who receives a failing grade in a specific course for the year or who fails to receive a passing grade on a Regents exam will be placed on Academic Probation for the following year.

Failure to remediate failed courses may result in dismissal. Family vacations, summer employment and other such conflicts are not excuses for failure to remediate courses or retake Regents Exams.

Students placed on Academic Probation will be required to follow all steps listed under Academic Intervention.

Additionally, students on Academic Probation may be required to attend after-school Academic Enhancement Sessions.

Academic Enhancement Sessions are an opportunity for assigned students to study, complete reading assignments, finish homework, and get a head start on long term assignments and projects.

Students on Academic Probation may not attend any after school activities during Academic Enhancement Sessions.

Students on Academic Probation will be evaluated at the end of the quarter at which time the student will be removed from Academic Probation, required to remain on Academic Probation, or (in extreme cases) dismissed from Holy Trinity.

Students who fail to achieve a passing grade in three (3) or more classes at the end of a semester will be subject to dismissal.

### **7.08 Weighting of Grades**

When leaving the Health Office, the student will be given a pass back to class.

After consultation and evaluation by the nurse, students who are mildly indisposed will return to class--students may not convalesce in the Health Office and then return to class.

Students who are more seriously ill and cannot remain in school for the remainder of the day, must return home. ### **13.01 Athletic Policy**

The Athletic Department strives to provide as many activities as possible for as many students as possible. Each sport has its special value to the individual, and none is held by the Department in higher esteem than another.

Participation in interscholastic sports is subject to the rules and regulations established by the Catholic High School Athletic Leagues of Nassau and Suffolk counties.

All sports are single gender sports.

Both parents and students are reminded that participation in sports requires an acceptance of injury. In view of the dangers involved in sports, it is necessary to inform athletes of the risks of contact sports. At Holy Trinity, although every precaution is taken to minimize the risks of serious injury, participants and their parents must fully understand that there are risks in participating and that students participate by their own choice. Each student shares the responsibility for sports safety and must avoid the techniques that are detrimental and against the rules. In case of injury, a coach or other staff member will accompany an athlete who must be taken to a hospital or doctor's office if a parent is not present. In such cases, the parents will be notified immediately and advised where their child has been taken.

No athlete may practice or compete on any school team without a prior physical examination. Physicals are valid for a period of one calendar year. Any student submitting an altered and/or forged physical report will lose his/her athletic eligibility for one- half of the sport season involved.

Any student excused from Physical Education class for medical reasons will not be permitted to participate in after-school physical activities (practices or games) until such time as he/she is no longer in need of the medical exclusion or pass.

All school sponsored field trips will be supervised by members of the faculty and will require a parental permission slip.

All school regulations will be in force on these trips. A student who demonstrates inappropriate behavior on school trips may forfeit his/her privilege to participate in future school outings or events and will face additional disciplinary action.

Serious disregard of this regulation may result in suspension or dismissal.

Holy Trinity reserves the right to exclude any student from participating on any trip **at any time** due to disciplinary, attendance, academic or health issues. Holy Trinity will **not** be liable for any trip expenses that result due to cancellation or exclusion.

Please refer to your TADS Agreement for a comprehensive understanding of your financial commitment.

### **14.02 Tuition Payments**

To maintain the high quality of educational services for your student, tuition payments are due every month beginning July with the final balance to be completed by May. A variety of payment plans are available.

Tuition balances for Seniors must be paid by May 15th of the respective academic year, or the student will not receive diplomas or be able to participate in any senior activities. Tuition balances for all other students must be paid by May 31st of the respective academic year.

Each family is required to be part of our Family Participation Program at a cost of \$300.00 per year. This assessment will be billed and due by the end of September.

### **14.04 Transaction Fees**

Electronic bank payments will incur an Electronic Payment Processing Fee starting at \$1 per transaction. As payment amounts exceed \$334, the fee will assess at 0.3% with a max fee of \$5. The Electronic Payment Processing fees will be handled in the same manner as we handle debit or credit card processing fees. The processing fee will be automatically deducted and listed on the payer's monthly invoice.

Families are responsible for all late and NSF (non-sufficient funds) fees. Any check returned for nonpayment is subject to a \$35.00 return check fee in addition to the payment due.

Families experiencing financial difficulties must notify the Tuition Office and will need to submit a payment plan for approval by the Principal. Families who are delinquent for two consecutive months will be notified that they must establish a payment plan within thirty (30) days or risk their account being sent to collections. Any approved payment plan must be honored in order for the student to remain enrolled at Holy Trinity.

Accounts that remain in arrears as of December 31st will be evaluated to determine whether or not the student will be permitted to return for the second semester.

All accounts with past due balances of \$5,000 or more will not be permitted to return for the next academic year and will be sent to our Collection agency. Smaller balances will be transferred to the new school year and must be paid in full before September 30th. Satisfying a delinquent account from the prior school year does not absolve a family from their responsibility to continue making payments on the current school year.

Academic or school records will not be released until all tuition and other financial obligations are met.

## **14.07 Withdrawal**

Students who withdraw from Holy Trinity will be not charged for their final month if they have attended fewer than five (5) days of classes in that month.

## **14.08 Merit Scholarships**

Merit scholarships are awarded to incoming students demonstrating exemplary academic promise based on the results of the Test for Admission to Catholic High Schools (TACHS) Exam and a comprehensive review of 6th, 7th, and 8th grade report cards. Students who do not enroll by the established deadline will forfeit their merit award. Students who receive merit scholarships must maintain an overall weighted grade point average of 95.0 at the conclusion of the academic year in order to receive the merit scholarship for the following school year.

## **14.09 Financial Aid**

All families are encouraged to apply for financial aid each year. For returning students, all information required to complete a financial aid application must be submitted through the TADS portal by February 28th in order to be considered for an award for the following year. Incoming

### 16.02 School Guidelines for Gender Identity

Rationale: At the heart of a Catholic Education, a unique educational charism is the integral formation of the whole human person. The Church instructs us:

Since true education must strive for complete formation of the human person that looks to his or her final end as well as to the common good of societies, children and youth are to be nurtured in such a way that they are able to develop their physical, moral, and intellectual talents harmoniously, acquire a more perfect sense of responsibility and right use of freedom, and are formed to participate actively in social life.<sup>1</sup>

Because a child's formation includes the integrity of body, spirit, and moral development, Catholic schools have a proper concern for each student's behavior and development in the complex area of human sexuality. The Catholic Church strongly holds that human bodies are gifts from God and temples of the Holy Spirit.<sup>2</sup> All men and women are called to a life of chastity appropriate to their vocation as single, married, or consecrated religious. The Church defines chastity as "the successful integration of sexuality within the person and thus the inner unity of man in his bodily and spiritual being."<sup>3</sup>

Any student who participates in any level of Catholic Education is expected to strive to live a life of virtue guided by the teachings of the Catholic Church in accord with God's plan for us in all aspects of their lives as they prepare to receive the Sacraments. Our diocesan pastoral and policy practices are written in fidelity to the moral guidance and teachings of the Catholic Church in all areas that touch on human life and dignity. Our school establishes an environment of encouragement, mercy, healing, and love to accompany its members as we journey on the path toward holiness.

As such, the proper understanding of human sexuality requires personal integrity and full

integration of body and soul as created male and female by God. According to the Church, "the chaste person maintains the integrity of the powers of life and love placed in him. This integrity ensures the unity of the person; it is opposed to any behavior that would impair it."<sup>4</sup>

## 1. Guidelines

Behaviors that are contradictory to Catholic morality and the expectations of our school includes expressing a gender that is discordant with one's biological sex. Our school will interact with students, volunteers, staff, teachers, and administrators according to their biological sex as based upon physical differences at birth. A member of the school community who wishes to express a gender other than his or her biological sex is understood as operating outside of the "reality deeply inscribed within."<sup>5</sup> Assisting the person in his or her disconnect with this reality, however sincerely experienced, by agreeing to participate in any efforts to change natural gender expression is contrary to the pursuit of truth. Authentic love, a gift of the self for the good of the other, requires that we compassionately dwell in the truth and assist those we love to do the same.

Our school recognizes that occasionally there may be instances where young people experience dissonance between their biological sex and the roles and norms advocated by society.<sup>6</sup> Some young people might feel drawn to dress, act, and even manipulate their physical bodies in ways contrary to God's plan. Our school advocates that young people, working with their parents, bring these types of issues to their pastor as well as to other trained professionals who might best assist them in clarifying and defining issues of self (and sexual) identity in accord with Catholic teaching and God's natural plan. The school's pastoral and counseling services are available to all members of the school community. All school administrators, staff, counselors, and volunteers will, as ministers of the Church, pastorally and appropriately represent the teachings of the Catholic Church in conformity with the Catechism of the Catholic Church and the Code of Canon Law as interpreted by the Diocesan Bishop.

## 2. A Pastoral Response

We encourage a pastoral approach that seeks to find a balance between recognizing the person and staying true to the mission of the Church. This calls us to learn how to communicate with parents, students, and the public in a way that is respectful while at the same time being clear about our teachings about human sexuality, creation, and the human person. Therefore:

- We acknowledge the need to address both the Church's embrace of those who struggle with gender dysphoria and same-sex attraction while at the same time articulating ever more clearly a Christian anthropology of the human person. Our program should be a place where people are "accompanied" in difficult situations while being led to live their lives in complete union with Christ.

- Our school has identified where reasonable accommodations can or should be made as well as where it cannot for non-conforming persons. These accommodations are as follows:
  - The school will assist in providing spiritual counseling and referrals to supportive professional counseling that is in conformity with Catholic anthropology and Church teaching to those who exhibit such behavior.
  - The school may accept a new name only if the individual's name is legally changed. However, the school will not refer to said individual by any pronoun that does not conform with his or her biological sex.
  - The school will not allow children to wear uniforms that do not conform to their biological sex, nor can one's personal appearance reflect the opposite sex.
    - Boys are not permitted to wear makeup, earrings, or nail polish, and boys' fingernails may not be longer than 1/4 inch from the end of the fingers.
    - Regarding events where students do not wear a uniform (field trips, school dances, dress-down days, etc.), the following attire guidelines should be followed:

      - Slacks, non-ripped jeans, and khaki shorts are appropriate bottoms for boys/men.
      - Button-down shirts (long and short sleeved), polo shirts, and neat t-shirts (long and short sleeved) are appropriate tops for boys/men. In the colder weather, a fleece, quarter-zip, sweater, or neat sweatshirt may also be worn. No piece of clothing should have any words or graphics that are distracting, defamatory, or stand contrary to the Catholic faith.
      - Closed shoes, sneakers, or boots should be worn.
      - Hair is to be neatly kept, combed properly without covering the face and length should not touch the shirt collar.
      - Girls/Women:
      - Skirts, dresses, pants, non-ripped jeans, and appropriate shorts that end no higher than two inches above the knee are appropriate bottoms for girls/women.
      - Blouses (long and short sleeved), polo shirts, and neat t-shirts (long and short sleeved) are appropriate tops for girls/women. In the colder weather, a fleece, quarter-zip, sweater, or neat sweatshirt may also be worn. No piece of clothing should have any words or graphics that are distracting, defamatory, or stand contrary to the Catholic faith. Shoulders should always be covered.
      - Closed shoes, sneakers, or boots should be worn.
      - Hairstyles are to be neat and appropriate. Hair may not be dyed any unnatural color.
      - One earring may be worn in each earlobe. No earrings may be worn on the upper ear cartilage. No expander earrings are permitted. Earrings may not be larger than a quarter. No other facial jewelry is permitted.
        - Make-up must be subtle.

- If possible, the school may allow the individual to use a private bathroom, such as a nurse's bathroom if necessary. However, said individual may not use a bathroom that does not conform with his or her biological sex.

### 3. Conclusion

While our school prohibits discrimination on the basis of race, color, national origin, sex, age, disability, or status as a veteran or disabled veteran, we reserve the rights and protections granted in the areas of admissions and employment practices by applicable laws and constitutional provisions to act in furtherance of its religious objectives.
